

BARDEHLE PAGENBERG Team

Christian Haupt

Dr. rer. nat., Dipl.-Phys.

**German and European Patent Attorney, UPC
Representative, Partner***

Location Munich

Languages: German, English

+49 89 928 05-0

christian.haupt@bardehle.de

Dr. Christian Haupt's professional activities focus on the prosecution of both patents and utility models before the German and European patent offices as well as on defending and attacking patents and utility models in opposition proceedings before the competent patent offices, in particular in the fields of mechanical engineering (e.g. sports equipment and medical engineering), telecommunications (e.g. LTE mobile radio communication standards and mobile terminals), IT and computer-implemented inventions, electrical engineering and navigation technology.

Another focus of his is the enforcement of IP rights in patent infringement and (parallel) nullity proceedings before the Federal Patent Court as well as in the context of expert opinions on infringement and validity.

Legal Areas

Patent Litigation

Patent Prosecution

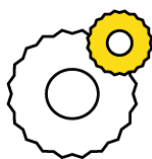

Employee Inventions

Oppositions and Nullity

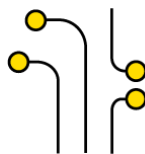

Unitary Patent

Unified Patent Court

Industries

Mechanical Engineering

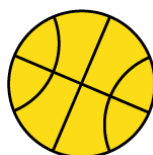

Electrical Engineering

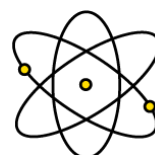

Software, IT & Computer Technology

Telecommunications

Sports

Physics

Automotive

Recommended in

[He] provide[s] very convincing and concrete arguments even in very complex cases.

Legal 500, 2025

a great partner to have onside, showing a true understanding of clients' business goals and fighting tirelessly to achieve them

IAM Patent 1000, 2024

Haupt is highly skilled as a prosecutor in the field of mechanical engineering, telecoms and computer-implemented inventions. He has a strategic eye for parallel nullity/infringement proceedings.

IAM Patent 1000, 2023

Haupt brings additional knowledge of IT and computer-implemented inventions and is as strong an EPO advocate as he is an advisor on infringement issues.

IAM Patent 1000, 2022

Haupt is highly sought after for his infringement and validity opinions – in particular, in the mechanical engineering, computer-implemented inventions and electronics spaces.

IAM Patent 1000, 2021

Christian Haupt ›ist immer perfekt vorbereitet‹.

The Legal 500 (D), 2018

Christian Haupt is able to ›present difficult matters to the Offices very skillfully‹.

Legal 500 D /Legal EMEA (D), 2016

Christian Haupt is ›a good choice when technically difficult matters need to be presented in court‹.

The Legal 500 Deutschland 2015

Curriculum Vitae

2023	Registered as a Representative before the UPC
2014 - today	Partner of the firm
2011	Licensed to practice as a European Patent Attorney
2007 - 2009	Studies of law for patent attorneys at Fernuniversität Hagen, Germany
2007 - 2010	Patent engineer and Patent Attorney trainee at BARDEHLE PAGENBERG, Düsseldorf, Germany; internship at a Patent Dispute Chamber of the Regional Court of Düsseldorf, Germany, at the German Patent and Trademark Office and at the Federal Patent Court; licensed to practice as a German Patent Attorney
2006	Awarded a Dr. rer. nat.
2006 - 2007	Patent Professional at Grünecker Kinkeldey Stockmair & Schwanhäusser, Munich, Germany
2004 - today	Work in the DFG-Special Research Field "Subnuclear Structure of Matter"
2002	Awarded a Dipl.-Phys.
2002 - 2006	Doctoral thesis at the University of Bonn, Germany, relating to electromagnetic properties of baryons
2002 - 2006	Research assistant at Helmholtz Institute for Radiation and Nuclear Physics, University of Bonn, Germany
2001 - 2002	Diploma thesis at the University of Bonn, Germany, in theoretical physics relating to relativistic quark models
1994 - 2001	Studies of physics at the University of Bonn, Germany
