sabrina.huett@bardehle.de

Sabrina Hütt advises national and international clients in patent infringement, nullity, opposition and appeal proceedings. In addition, she assists our clients in drafting patent applications and during the entire examination procedure before the European Patent Office and the German Patent and Trademark Office.

Sabrina Hütt combines comprehensive scientific knowledge and a profound understanding of complex technical issues with legal expertise in the field of intellectual property.

In particular, Sabrina Hütt has extensive experience in patent matters in the fields of information and communication technology, medical technology, mechanical engineering, electrical engineering and semiconductor technology.
