Nina Nordmeier

M.Sc. (Physics)

Patent Engineer

Location Munich

Languages: German, English, French, Spanish

+49 89 928 05-0

nina.nordmeier@bardehle.de

In her practice, Nina Nordmeier focuses on assisting clients in the preparation of patent applications all the way through to the grant before the European Patent Office and the German Patent and Trademark Office.

Additionally, she is involved in matters related to patent infringements and assists in opposition, appeal, and nullity proceedings. Along with her expertise in intellectual property, her work is primarily based on her technical and scientific knowledge. She holds a Master's degree in physics with a specialization in medical physics applications. She also has relevant engineering experience from the automotive industry.
